Special Interests

Degenerative spine, Back pain, Sciatica, Neck pain, Cervical radiculopathy, Cervical myelopathy, Hydrocephalus, Adult brain tumours, Paediatric brain tumours, Carpal tunnel syndrome, Epilepsy surgery.

Brief Biography

I completed my Neurosurgical training in Birmingham and went to Melbourne, Australia for a year to complete a fellowship in Paediatric and Epilepsy surgery. I have been back in the UK as a consultant neurosurgeon since 2007. The area of my practice is adult and paediatric neurosurgery. I have a subspecialty interest in Paediatric and Epilepsy surgery.

I am a member of the Society of British Neurosurgeons, British Paediatric Neurosurgery Group

(BPNG) and Congress of Neurosurgeons, USA.
